Month-end NAV per unit, so new capital is never counted as return. Year column compounds the months; the current year is year to date. Grey months ended with fewer than 5 positions marked to an observed price and are not comparable with later months. Benchmark rows: Sealed Magic booster box index, every Magic booster box TCGplayer prices, capped value-weighted, same price source as the book.

MANDATE AND VALUATION

Long-only, unlevered, self-funded book of sealed Magic: The Gathering and Universes Beyond product. Nothing is opened and no position has been sold. Positions are marked to observed TCGplayer market prices (weekly archive from 2024-02-08, daily snapshots from 2026-08-28) and carried at cost where the feed does not cover them. Nothing is estimated or extrapolated. Reprint risk is the main hazard and is tracked per set.
